Local Club Helps Celebrate 50th National Coin Week

The golden anniversary of National Coin Week is being observed by the American Numismatic Association from April 21 to 27.

First observed in 1924, the event has become annual and is celebrated by thousands of numismatic organizations including the Tuscarawas County Coin Club.

The national organization has 39,000 members and their purpose is to advance the cultural and artistic aspects of coin collecting, to advance the enjoyment of the hobby through the proper education, and to advance the interest in coin collecting as a science.

Uhrichsville, Dennison, New Philadelphia and Dover mayors have signed a proclamation declaring the week in their respective communities.

The local club was formed in 1959 and had 11 members. The name of the group,

Tuscarawas County Coin Club was selected in 1960, with membership to the National Numismatic Association made the same year. The chapter closed their charged in '60 with 40 members, 11 of whom are still on the roster.

One hundred sixty members are now active and the group holds a meeting once a month. The business session of each meeting is followed by an auction and coin quizzes.

Projects of the group include a Christmas Party and summer picnic for members, and a Fall Coin Show, to which 850 persons registered last year.

Present officers are: president, C. T. Fisher; vice president, Lee Sawvell; secretary, Foster Baldwin; and treasurer, Mrs. Ray Morris.

PROCLAMATION - NATIONAL COIN WEEK GOLDEN ANNIVERSARY

April 21-27, 1974

NATIONAL COIN WEEK was first observed in 1924 by the American Numismatic Association. It has been an annual event since then, and now is celebrated by thousands of ardent numismatists and numismatic organizations.

It is one of the outstanding programs of the American Numismatic Association and its 39,000 members, with a constantly increasing membership.

The purposes and reasons for this special week are to advance the cultural and artistic aspects of coin collecting, to advance the enjoyment of the hobby through proper education, to advance the interest in coin collecting as a science, and to attract new collectors who will enjoy the hobby and educate them to the study of history, economics and art through coin collecting.

I therefore proclaim April 21st through the 27th, 1974, National Coin Week and commend the American Numismatic Association for its outstanding work and National Coin Week upon reaching its Golden Anniversary this year.
